The Ninja Team

A story about teamwork and sharing

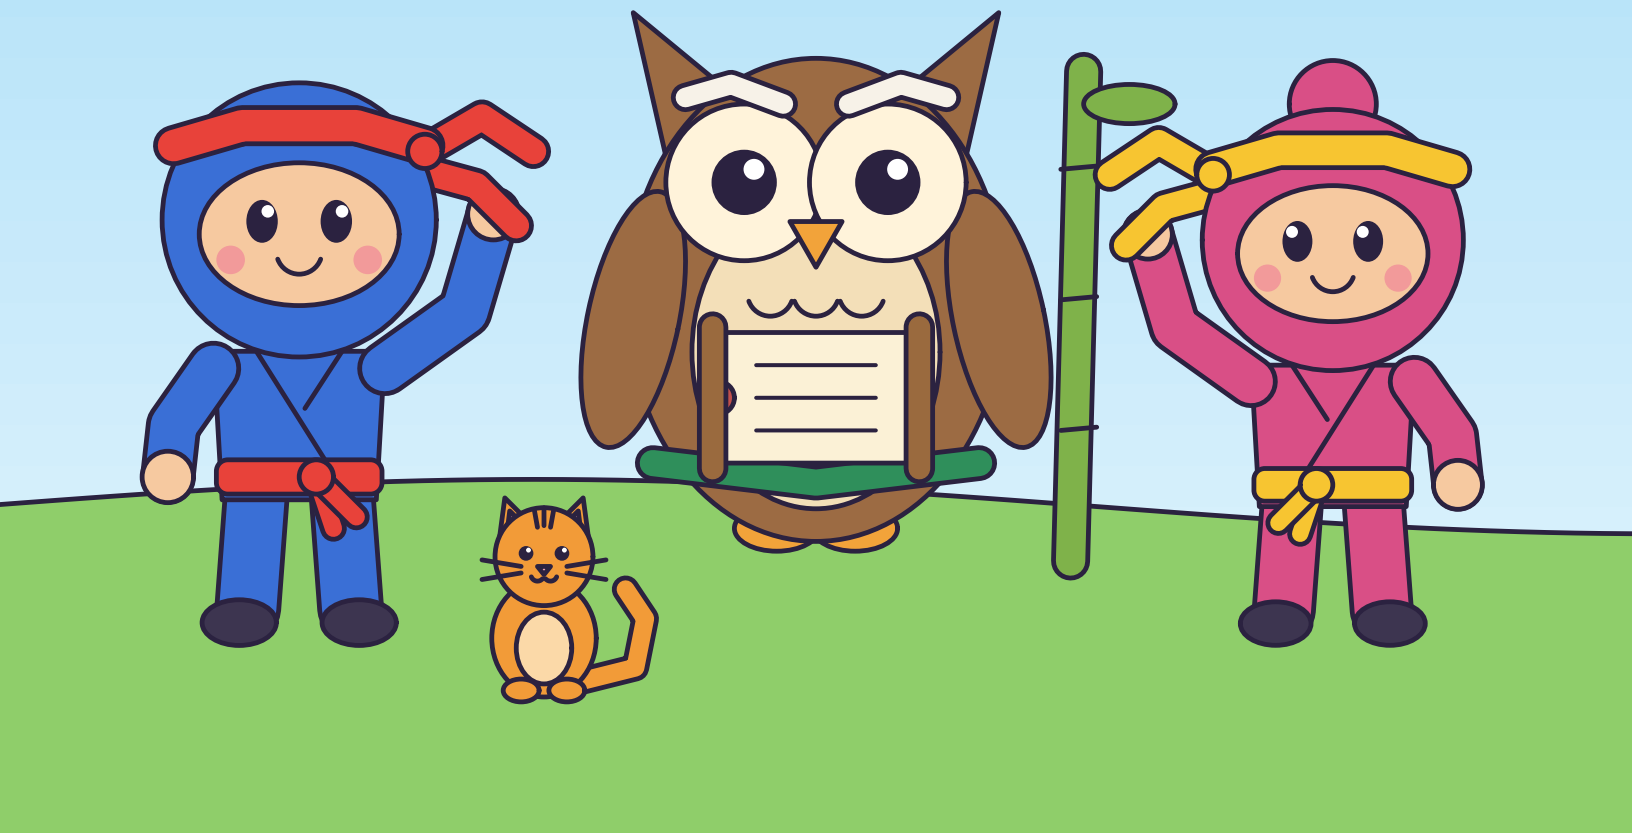

The Ninja Team

For little ninjas and all their friends

One sunny morning, Sensei Owl had a special ninja challenge for Kai and Miko.

“At the top of the hill is the biggest peach in the land. Bring it down to the picnic!”

“I will do it all by MYSELF!” said Kai. He pushed and pushed. But the peach did not move.

Huff! Puff!

“No, I will do it all by MYSELF!” said Miko. She pulled and pulled. But the peach did not move.

Ugh!

Kai and Miko felt grumpy. They sat down back to back. Hmph!

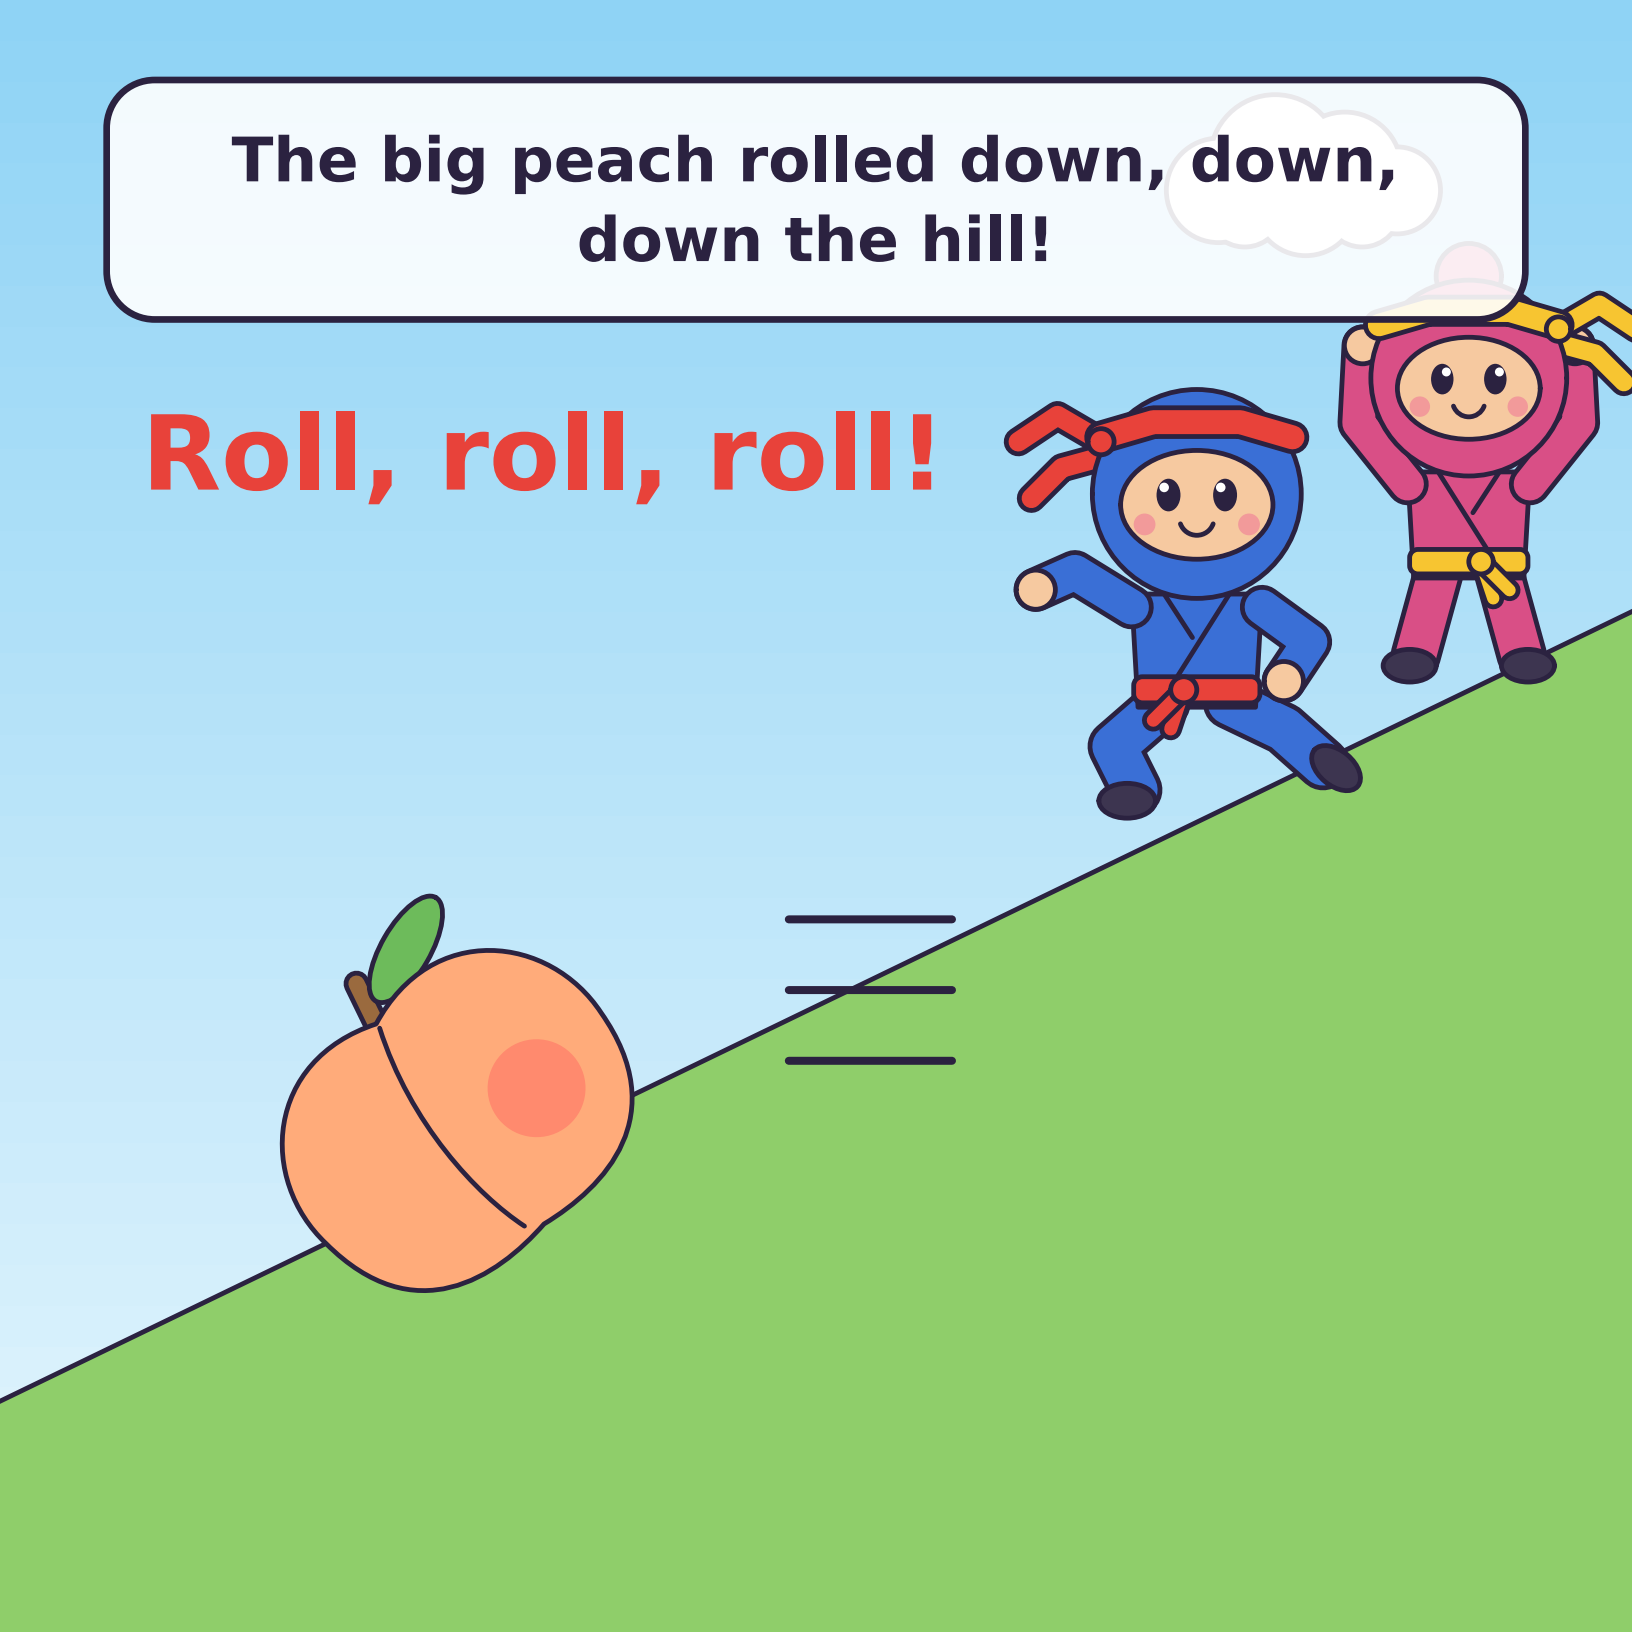

Then Pip gave the peach a tiny push with a tiny paw. Kai and Miko looked at each other...

“Let’s be a ninja TEAM!” said Kai.
“One, two, three… PUSH!”
PUSH!

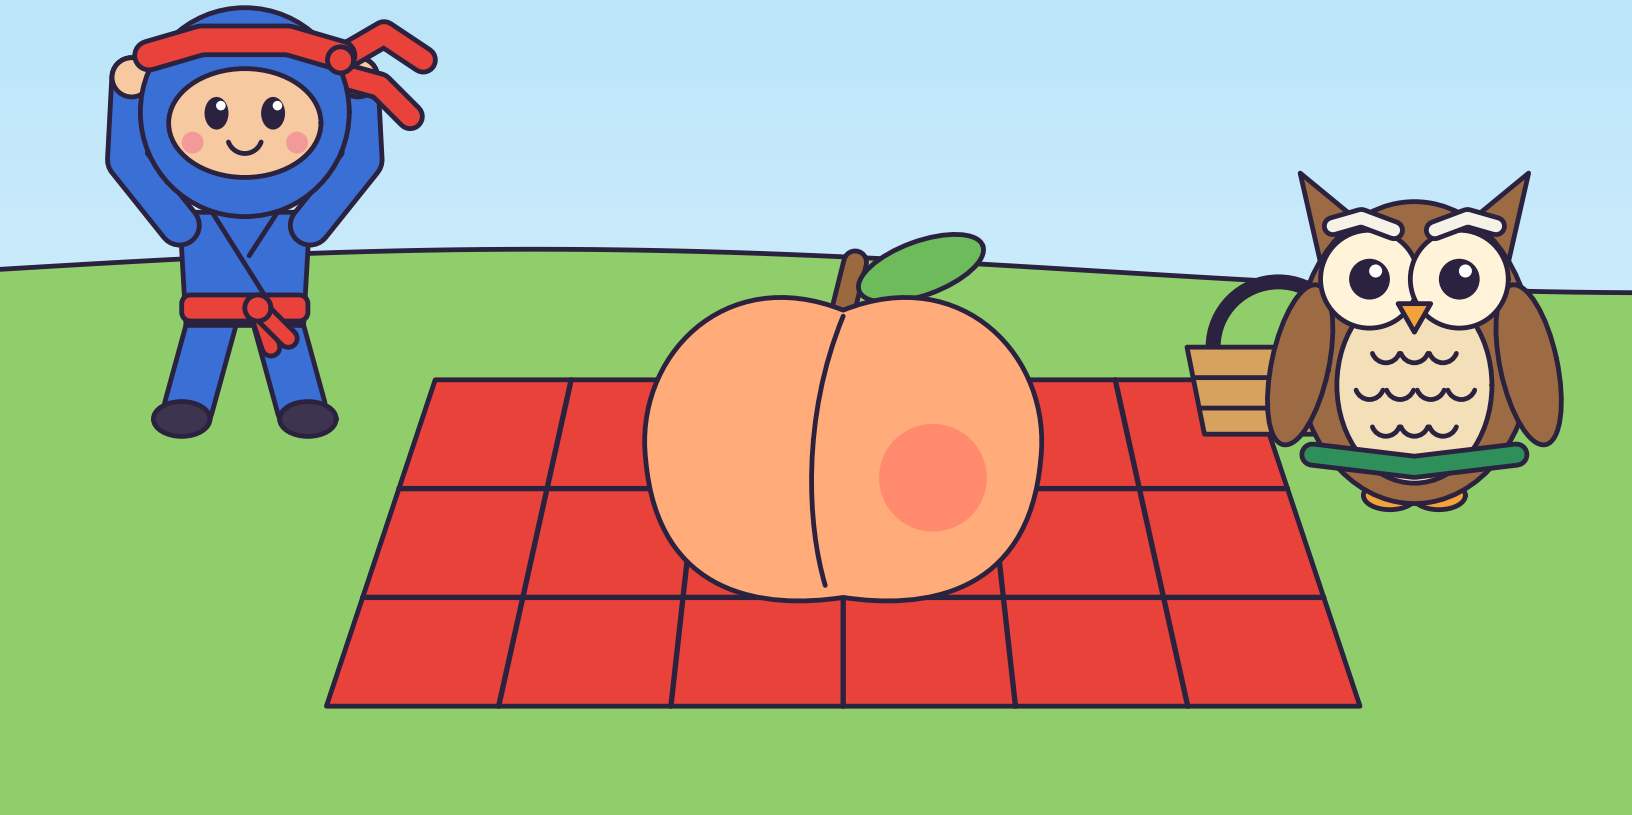

The big peach rolled down, down, down the hill!

Roll, roll, roll!

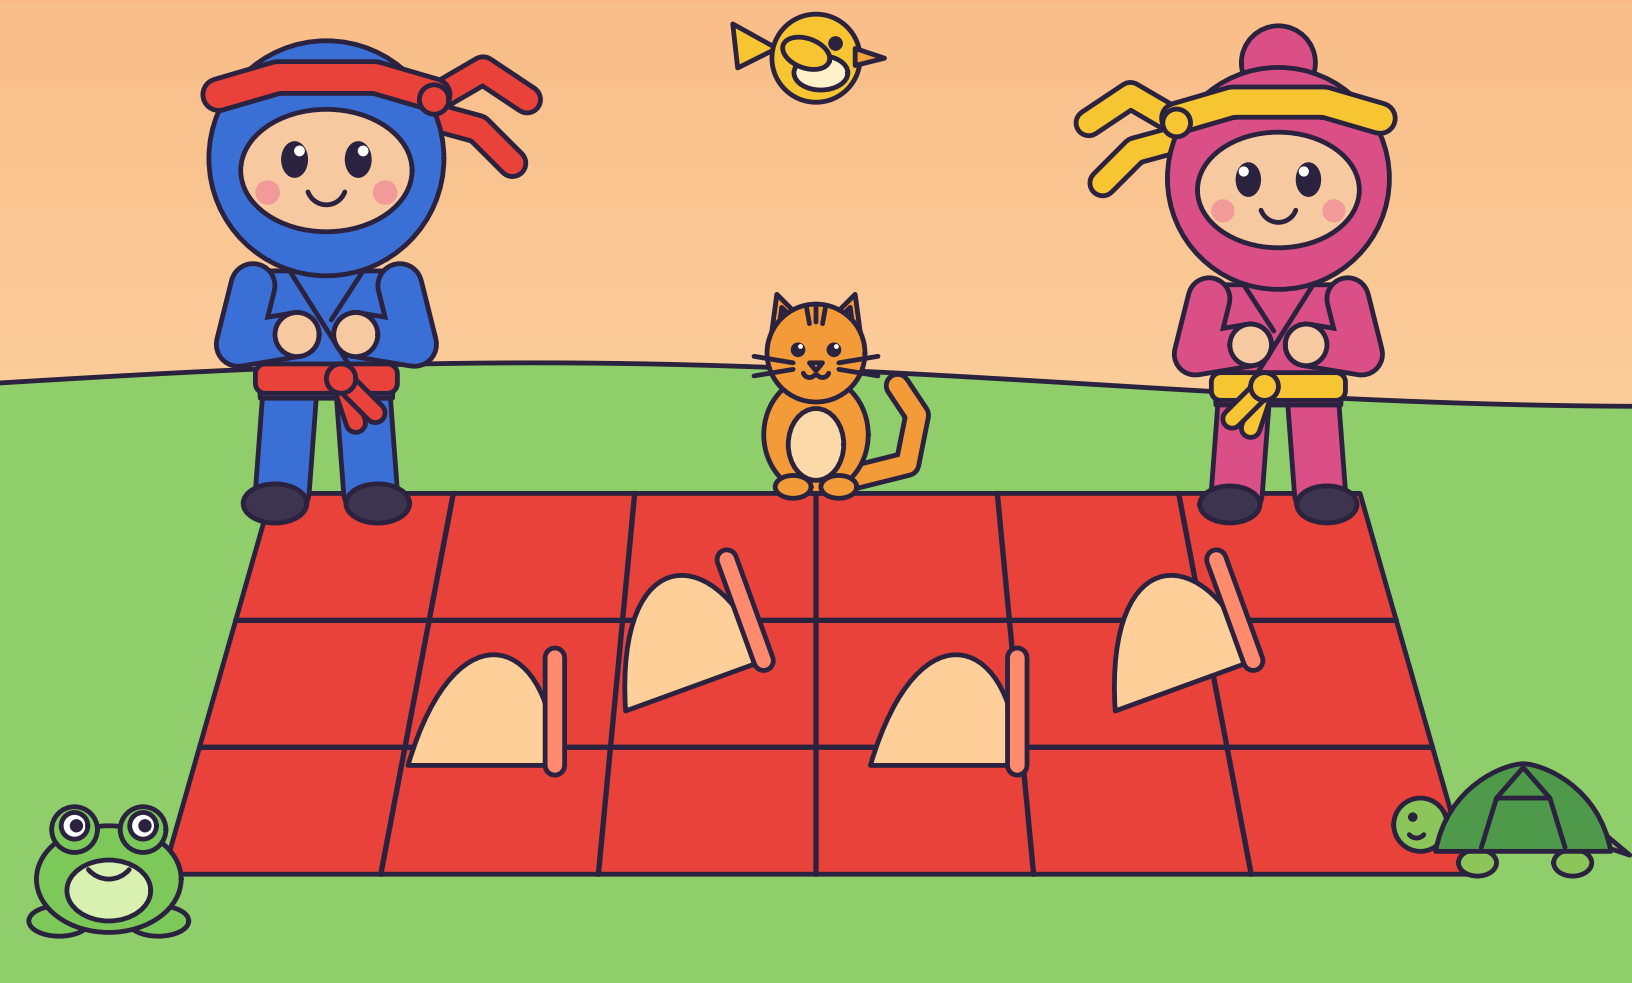

It landed right on the picnic blanket.
PLOP! “Hooray!” everyone cheered.

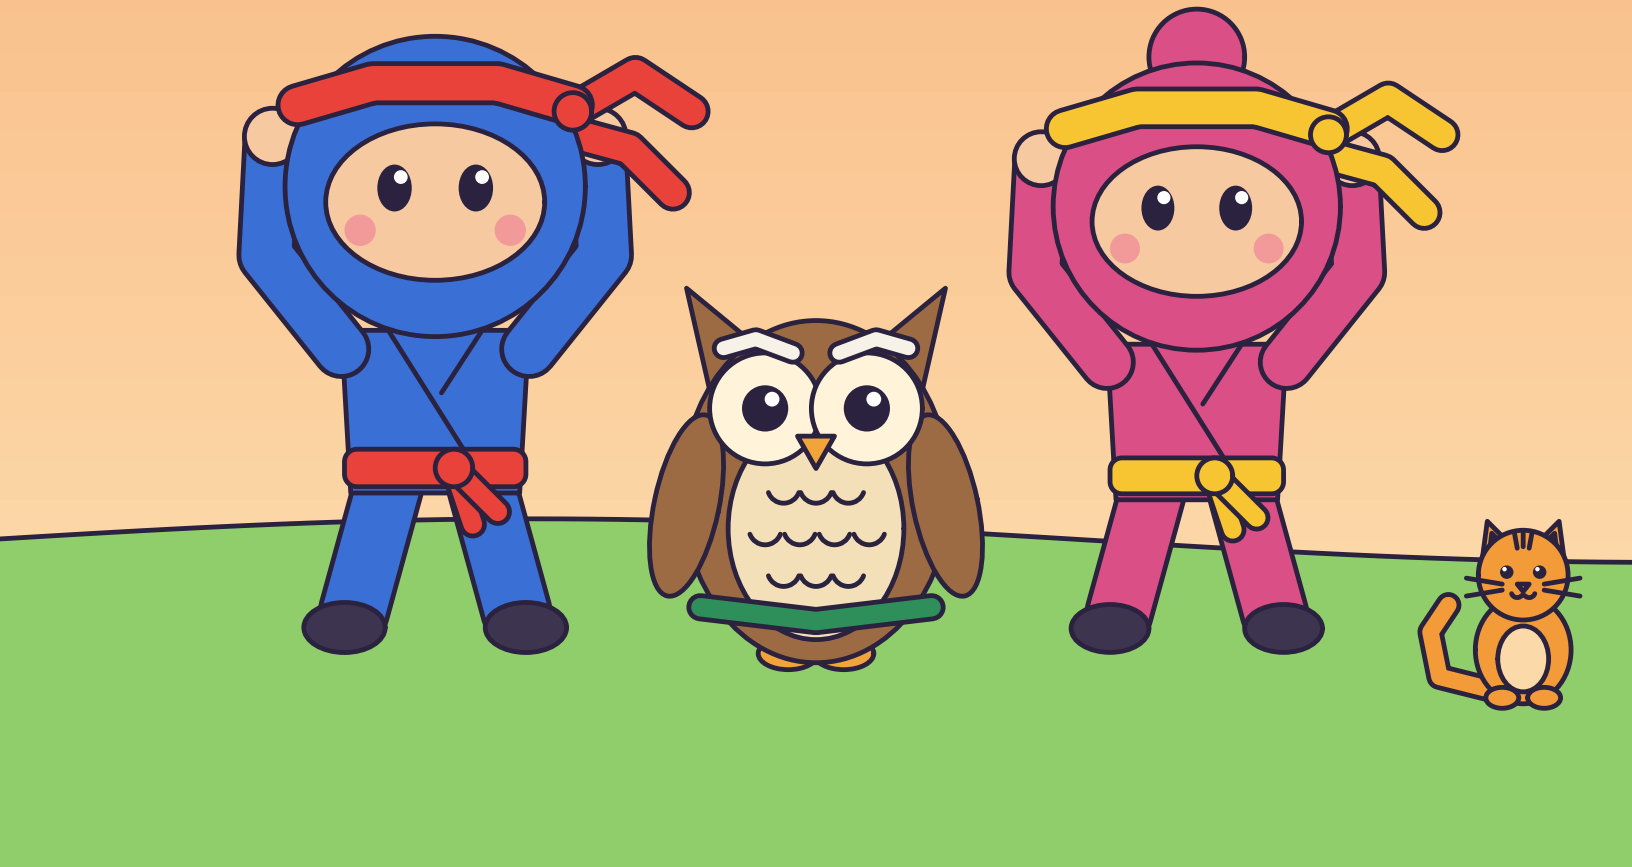

PLOP!

Kai and Miko shared the peach with all their friends. Sharing made it taste extra sweet!

“One ninja is strong,” said Sensei Owl. “But a ninja TEAM is even stronger!”

The Ninja Team Cheer

Say it together with a friend!

 **We help each other.**

 **We take turns.**

 **We share.**

 **We say thank you.**

 **We are a TEAM!**

Together we are STRONGER!
